## Network of Affiliated Family Medicine Residencies 2012 Faculty Development Day

### Creating & Teaching the Patient-Centered Medical Home In Family Medicine Residency Programs

**Stanley Kozakowski, M.D.**

Director, Division of Medical Education  
American Academy of Family Physicians

**Wed. February 29, 2012**

**8:30 AM -12:00 PM**

**UMDNJ-RWJMS Medical Education Bldg Room 259  
New Brunswick, NJ**

#### Learning Objectives

By the workshop's end, attendees will be able to identify:

- Important environmental changes driving the PCMH model "movement" and education
- Critical factors associated with successful implementation of the PCMH model
- Potential barriers for implementation of the PCMH model in their program
- Next steps for moving forward in the implementation of PCMH in their program
- Strategies for teaching and engaging residents in the PCMH model of healthcare delivery

Continental breakfast and lunch will be provided

Parking in the Paterson Deck will be validated
