loved.~Mother Teresa

Dear Medical students & researchers of <sup>10/06</sup>UMMS,  
I was so touched when I heard Denise say  
that you put together a bake sale for the  
orphans of Mozambique. Thank you for remembering  
the poor. The money donated to Iris Ministries  
was used to purchase medical supplies for the  
clinic, mosquito nets for malaria prevention for  
children's dormitories, and a hernia operation (ask  
Denise for pictures!) Thanks again.  
May God Bless you in your studies & career! Yonnie
