White Coat Sizing Instructions

The white coats we will be ordering are unisex but use men's coat sizes for fitting. The best method for choosing a white coat other than actually trying on various sizes is to find a men's coat size. Most men have this information readily available. Women may find this information by going to a men's department store and try on various men's sizes. If you are unable to do this, you may use the charts below. The first chart utilizes height and weight to calculate approximate coat size. Once you know your size, submit the White Coat Ceremony form [http://rwjms.umdnj.edu/education/current_students/student_life/orientation/WhiteCoatInfo.html] no later than June 16, 2011. If you have any questions or concerns, do not hesitate to contact the orientation team at rwj-orientation@umdnj.edu.

Coat Sizes by Height and Weight
